

Impacting the Lives of Patients in Need of Neurological Care at TMH

See a tennis racquet help save a life! All funds raised through the Tallahassee Tennis Challenger greatly impact the lives of those patients in need of neurological care at Tallahassee Memorial HealthCare.

Home to the region's only Comprehensive Stroke Center and Vogter Neuro Intensive Care Unit in our 17 County region. Neurosurgeons, Neurologists and specialty clinics and centers provide individualized treatment options for everything from advanced stroke care, aneurysms and traumatic brain injuries (TBI) to epilepsy/seizures, headaches, memory disorders, Parkinson's disease and more.

The USTA Pro Circuit Wild Card Challenge is a series of three men's clay court tournaments held consecutively in April and May. The American player who wins the most ATP points at these tournaments will earn a Main Draw Wild Card into the French Open. The 2017 Tallahassee Challenger is pleased to continue as part of this very exciting event.
