# NEW VIP SPONSORSHIPS IN 2018

Due to the popularity of the Tennis Challenger sponsorships, we have increased seating. In an effort to enhance the tennis viewing for our sponsors, we created **VIP sponsorship seating** as well as additional benefits: **VIP parking**, **VIP separate entrance** and **VIP hospitality tent**.

## Impacting the Lives of Patients at TMH

All funds raised through the Tallahassee Tennis Challenger for the past 19 years directly benefit patients in need of neurological care in the D. Mark Vogter, MD Neuro Intensive Care Unit at Tallahassee Memorial HealthCare.

Home to the only Comprehensive Stroke Center and Neuro ICU in a 17-county region, the Vogter Neuro ICU provides unparalleled care for patients who receive complex and advanced neurological and neurosurgical care. Tallahassee Memorial's neurosurgeons, neurologists and specialty clinics provide individualized treatment options for everything from advanced stroke care, aneurysms and traumatic brain injuries (TBI) to epilepsy/seizures, car accident victims and acute neurological and orthopedic trauma.
