All funds raised through the Tallahassee Tennis Challenger for the past 23 years have directly benefited patients in need of neurological care in the D. Mark Vogter, MD Neuro Intensive Care Unit at Tallahassee Memorial HealthCare. In 2022, the Vogter Endowment reached \$1,200,000 in the corpus of the Vogter Endowment.

Tallahassee Memorial HealthCare is home to the only Comprehensive Stroke Center and Neuro ICU in a 17-county region. The Vogter Neuro ICU at TMH provides unparalleled care for patients who receive complex and advanced neurological and neurosurgical care. Tallahassee Memorial's neurosurgeons, neurologists and specialty clinics provide individualized treatment options for everything from strokes and aneurysms to traumatic brain injuries (TBI) and epilepsy/seizures. As the region's only Level II Trauma Center, TMH also cares for acute neurological trauma, including car accidents and falls.

Scan the QR code with your phone's camera to purchase a sponsorship package or make a tax-deductible donation to the TMH Foundation's Vogter Endowment to support the Vogter Neuro ICU at TMH.
